WELCOME LETTER AND INFORMATION

Thank you for choosing me as your therapist, I am looking forward to meeting you. Below is an explanation of the things you'll need to know to be prepared for our first visit:

DIRECTIONS: See the attached map. My office is on the third floor of the red brick administrative building on the First Presbyterian Church campus at 763 North BOULEVARD (not Street) in downtown Baton Rouge. We are across Convention Street from the downtown Post Office. The church takes up a whole city block, bordered on 4 sides by North Boulevard (grass down the middle), Convention, and 7th and 8th Streets. In that block, we are in the red brick building closest to the Interstate. Either park at a meter on 8th Street and enter via the 8th Street door OR park in the big free parking lot on Convention and enter via the Chapel door. We can only buzz you in at 2 doors. Buzz the Counseling Center and someone will ask who you are here to see and then unlock the door. The counseling center is located on the 3rd floor. Both an elevator and stairs are available. You may want to allow extra time to find us for your first session, especially given Baton Rouge's traffic. Printing out these directions and/or bringing the map that is attached will help.

SCHEDULING: For your convenience, you can schedule online via www.therapyappointment.com. You may have set up your own account or the receptionist can give you a username and password when you call to schedule your first appointment. After your first visit, please access this portal to schedule or cancel any future appointments. To access the portal, visit www.therapyappointment.com and select my name. The first time you can only schedule one appointment, after that as many as you wish. To get a jumpstart, or because of travel, some people elect to schedule 1 ½ or 2 sessions for the first visit, or later visits. This is particularly helpful for couple counseling.

PAPERWORK: Please review, sign, and bring all the attached paperwork to your first appointment. Please do not print back to back. If you do not print out the forms, please allow 20 minutes before your session begins to complete them so you won't lose any of your therapy time. If you run late, you lose minutes. If I run late, you will always get all of your time. If you're coming as a couple then I need both of you to fill out all of the forms.

FEES: The fee per 50 minute session is \$100. The first evaluative session is \$120. The fee for 1 ½ sessions is \$150 (75 minutes) and a double session of 90-100 minutes is \$200.

PAYMENT: It is the BRCCC policy that payment must be made at the time of service. You can pay with check, cash, Visa/MasterCard, or Discover -- whichever is best for you.

CREDIT CARD ON FILE: To secure your appointment, we must have your credit card number on file prior to your arrival for the first session. It is safely secured through encryption. You can call our office at (225)387-2287 with a credit card number and we will charge a penny to your account, or you can login to your account on TherapyAppointment.com and do it yourself:

1. Login and click where it says "View or pay online statement"
2. Go to "Do you want to make a payment?"
3. Go to: "Please charge a _____ to a new charge card"
4. Fill in the name on the card, street address, and zip code
5. Click "Submit payment to charge card"
6. Verify by clicking "Yes"
7. Put in your credit card number, expiration date and 3-4 digit security CVV code from the back
8. Then click on "Process"

DONE ! Your credit card information is safely stored and encrypted in our system

INSURANCE: I do not file with insurance, but we can give you a receipt with a diagnosis for you to file for reimbursement via "out of network" benefits. You can see if you have mental health benefits by calling your insurance company and asking some questions that we have listed on a form on our website, under FORMS:

QUESTIONS FOR INSURANCE COMPANY.

CONFIRMATION OF APPOINTMENT: On the Registration Form in your account online you can elect to have your appointments confirmed through text, email, or automated phone call. However, whether an appointment is confirmed or not, you are still responsible for remembering your appointments and will be charged if you miss. Reminders can be sent to up to 2 cell numbers or 2 email addresses – but not to texts AND emails.

CANCELLATIONS: If you ever need to cancel - I need at least 24 hours notice, preferably 48 hours. Cancellation within the remaining 24 hours will result in a charge. I really appreciate your understanding so I can schedule other clients in need of counseling. We have voicemail 24 hours a day, 7 days a week. If you need to cancel within the 24 hours, you can't do that online – you have to call.

WAIT LIST: If you now, or ever, want an earlier appointment and nothing is available – email, message through the online scheduler, or call and ask to be put on my waiting list. We'll call you if something opens up earlier. I sometimes email out notice of last minute cancellations. If you think you'll need more sessions, you may want to not wait until your first appointment to schedule more sessions so that you can get the times you want. The system only lets you schedule your first appointment – if you want more, call.

COMING AS A COUPLE: I generally meet with a couple together first, then one session with each person individually, then back together as a couple from then on. If this isn't possible, I can be flexible. And for future sessions if one can't come it's OK to come alone. If you have any questions, please email me or give me a call. Please know that I'm looking forward to meeting you!

Declaration of Practices and Procedures

Stacy House, LPC-S

Baton Rouge Christian Counseling

763 North Blvd., Baton Rouge, LA 70802

(225)-387-2287

Qualifications: I earned a MA degree in counselor education from Southeastern Louisiana University in 2009. I am licensed as a LPC-S #4621 with the LPC Board of Examiners which is located at 11410 Lake Sherwood Ave. North Suite A, Baton Rouge, LA 70816 (phone 225-295-8444).

Counseling Relationship: I see counseling as a process in which the client and the counselor work together to explore and define present problem situations. We then develop goals and work in a systematic fashion to realize these goals.

Area of Expertise: My interests include but are not limited to working with individuals, couples, and families dealing with mental health issues, especially those surrounding the family unit and child abuse and or neglect. I have additional training in child parent psychotherapy. I am registered as a LPC-S in Louisiana.

Fees and Office Procedures: Therapeutic services are offered to client's with mild to moderate mental health needs.. Fees are \$120 for initial session and \$100 for each subsequent session. Initial appointments can be made by contacting our office at (225)387-2287 or creating an account on our website at brchristiancounseling.com. Follow up appointments can be made on our website at brchristiancounseling.com or by calling the office at 225-387-2287. My policy, and the policy of BRCCC, is to securely store the client's credit card number for payment purposes. It is used for the initial session, for subsequent sessions, for any "no shows", and for appointments not cancelled with at least 24 hours of notice. The time you schedule for appointments is reserved for you specifically. If you must cancel a session, the office must be notified at least 24 hours in advance, which will allow for the scheduling of another person who may benefit from this time, or you will be responsible for the full session fee of \$100. If the office is not open and you need to cancel, you can leave a message in our voicemail at (225) 387-2287 and the time of the call will be registered. We aim to confirm appointments, but do not always have ample staff to do so. Responsibility for remembering appointments rests with the client

Services Offered and Clients Served: I approach counseling from a family systems and client centered approach. I am open to work with any client with whom I believe I can form an effective counseling relationship. I am open to working with individuals, couples and families.

Code of Conduct: I am required by law to adhere to the code of conduct for my practice which is determined by the Louisiana LPC Board of Examiners. A copy of this code is available on request.

Confidentiality: Information that is expressed in the counseling relationship is confidential except for materials shared with my supervisor and in certain circumstances in accordance with state laws:

1. The client provides a written request for release of information indicating informed consent.
2. The client expresses intent to hurt him or herself or anyone else.
3. There is reasonable suspicion of neglect of a minor, elderly adult (60 or older), or dependent Adult.
4. A court order is received directing the disclosure of information.

In any of these situations I will do my best to alert the client that their information is being disclosed as quickly as possible. In the case of minor children information may be shared with the parent. In couple and family counseling information will only be shared when the client consents.

Privileged Communication: It is my policy to assert privileged communication on behalf of the client and the right to consult with the client if at all possible, except during an emergency, before mandated disclosure. I will endeavor to inform clients of all mandated disclosures when possible.

Emergency Situations: If an emergency occurs, please dial 911 or go to the nearest emergency room.

Client Responsibilities: Clients are expected to arrive on time for appointments. Clients should actively participate in the counseling session to achieve any successful outcome. If the client feels as if he or she is not benefiting from sessions he or she should inform the counselor. The client should keep the counselor informed of his or her perceived progress. If you are currently receiving any mental health services from another provider I expect you to disclose this to me and allow me to work together with that professional to better accommodate your needs. If you would be better served by another mental health provider, I will help you with the referral process.

Physical Health: It is important that I am aware of any medications legal and illegal you are currently taking. If you have not had a complete physical in the last year I strongly recommend that you have one now as any medical problems can exacerbate problems you are currently dealing with.

Potential Counseling Risk: As a result of Counseling a client may realize that there are additional issues which had not surfaced prior to the counseling relationship. It is also important to realize that as the client changes the relationships he or she has will be affected. This is especially apparent in marriage and couple counseling.

Digital Communication and Technology Agreement: As per the certification requirement of the LPC Board, I have taken the continuing education necessary to utilize telemental health services in my practice. At the beginning of each session, we will assess for safety, security, and comfort in your environment. Online sessions will be conducted through my Zoom business account. The client should be aware that they have the right to refuse digital communications with the therapist.

Teletherapy: Synchronous (real-time video and audio transmission) sessions may be provided to client's where appropriate. Client's must be in safe and private environments while participating in video-based sessions. Other individuals who have not consented to counseling or signed a release of information may not observe sessions. Teletherapy or in-person sessions cannot be recorded, redistributed, posted, uploaded, etc. All clients who participate in Teletherapy Sessions must sign an Informed Consent Agreement. For client's convenience, paperwork may be emailed through an encrypted email service. However, counseling services will not be provided through asynchronous (e-mail, text, chat, blogs, etc.) methods. Communication via video, e-mails, texts and telephones can compromise the privacy and confidentiality of conversations. Please notify me if you decide to avoid or limit in any way the use of video, telephone, or any other form of electronic communication. As part of my practice I may call you or email you between your appointments to confirm / remind you of upcoming appointments or to assist you with any technical problems that may occur.

INFORMED CONSENT FOR IN-PERSON THERAPY DURING THE COVID-19 CRISIS

Decision to Meet Face-to-Face

If we mutually decide to meet in person (Face-to-Face, hereinafter - F2F) for some or all future counseling sessions, precautions must be in place to mitigate the COVID-19 pandemic. This document contains information about those precautions and guidelines to safely meet F2F. Your signature(s) below indicates that you understand and agree to undertake these actions concerning all F2F appointments. Please read this carefully and let me know if you have any questions.

If we mutually decide to meet in person (F2F) and there is a subsequent resurgence of the pandemic, or subsequent changes in local, state, or federal guidelines, or if other health concerns arise, I may require that we meet via teletherapy. If you decide at any time that you would prefer teletherapy, I will respect that decision, provided it is clinically appropriate.

Also be mindful that if your therapist files for reimbursement for any teletherapy services, such reimbursement is determined by insurance companies and applicable law. You are responsible for payment whether services are provided via teletherapy sessions or F2F, and whether insurance companies reimburse or not.

Risks of Opting for In-Person F2F Services

Although there are potential benefits for in-person F2F counseling, there are also risks. You understand that by attending F2F sessions, you would be assuming the risk of exposure to the coronavirus, or other public health risks, and that this risk may increase if you travel by public transportation, cab, or ridesharing service.

In consideration of the services of Baton Rouge Christian Counseling Center (hereinafter BRCCC) and my therapist, I hereby agree to release, indemnify, defend and discharge both BRCCC and my therapist, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

I have been offered by BRCCC and my therapist to conduct the therapy session remotely via Zoom or other online means, however, I desire a face to face therapy session. I am aware of the risk of infection with COVID 19 and I understand that such risk simply cannot be eliminated without completely avoiding a face to face therapy session.

I expressly agree and promise to accept and assume the risk of infection with COVID 19 existing in a F2F therapy session. My participation in a F2F therapy session at BRCCC and with my therapist is purely voluntary, and I elect to participate in spite of the risks.

Your Responsibility to Minimize Your Exposure

To obtain counseling in person (F2F), and signing this document, you will take the following precautions which will help keep all of us (you, me, our families, my staff, and other clients) safer from exposure, sickness and possible death. Failure to adhere to these safeguards, may result in our starting or returning to a teletherapy arrangement.

- If you reasonably believe that you have recently been exposed to, are infected with, or have symptoms of the coronavirus, you will cancel your F2F appointment or proceed using teletherapy.
- You will wait in your car or outside until no earlier than 5 minutes before your appointment time.
- You will wash your hands or use alcohol-based hand sanitizer when you enter the building.
- You will wear a mask in all areas of the office (I, and my staff will too). Clients agree to:
 - bring their own face mask that covers their nose and mouth,
 - wear the face mask upon entering the building,
 - continue to wear the face mask until entering the counseling session, (face masks are not required during the counseling session, unless your therapist deems them necessary), and
 - wear a face mask after the session while exiting the building.
- You will adhere to the safe distancing precautions we have set up in the waiting areas and offices.
- You will keep a distance of 6 feet from all other persons and there will be no physical contact (i.e. no shaking hands) with me, other clients, or with my staff.
- You will try not to touch your face or eyes with your hands. If you do, you will immediately wash or sanitize your hands.
- You will not bring guests and/or non-client children to BRCCC.
- You will take steps between F2F appointments to minimize your exposure to COVID-19.
- If you have a job, other responsibilities, or activities that put you in close contact with others infected with COVID, you will notify me immediately.

- If a resident of your home tests positive for the coronavirus infection, you will notify me immediately. Continuing treatments will be conducted via teletherapy until quarantine is over.
- To minimize contact with support staff, you will do all scheduling of appointments either online through the Therapy Appointment software, or over the phone with support staff.
- To minimize the exchange and handling of payment(s), you will have your credit card information on file with BRCCC at least one day prior to the counseling session.

I reserve the right to change the above precautions if additional local, state, or federal orders or guidelines are published. If that happens, you will be notified about any necessary changes.

My Commitment to Minimize Exposure

My practice has taken steps to reduce the risk of spreading the coronavirus within the office and we have posted our efforts on our website and in the office. Please let me know if you have questions about these efforts.

If You or I are Sick

You understand that I am committed to keeping you, me, my staff, all clients, and all of our families safe from the spread of this virus. If you show up for an appointment and I, or my office staff believe that you have a fever or other symptoms, or believe you have been exposed, I will have to require you to leave the office immediately. We can follow up with services by teletherapy as appropriate.

If I, or my staff, test positive for the coronavirus, I will notify you so that you can take appropriate precautions.

Your Confidentiality in the Case of Infection

If you have tested positive for the coronavirus, I may be required to notify local health authorities that you have been in the office. If I am required to report this, I will only provide the minimum information necessary for their data collection and will not go into any details about the reason(s) for your visits. By signing this form, you are agreeing that I may do so without an additional signed release.

Informed Consent

This agreement supplements the general informed consent/business agreement that we agreed to at the start of our work together.

Your signature(s) below shows that you agree to and will abide with these terms and conditions. By signing this document, I acknowledge that I waive my right to maintain a lawsuit against BRCCC and my therapist on the basis of any claim that I released herein. I also agree to pay BRCCC and my therapist attorneys' fees and costs in enforcing this agreement.
