

Melissa Bond, MSW, LCSW
763 North Blvd, Baton Rouge, Louisiana 70802
Phone: 225-387-2287 Email: melissa@brchristiancounseling.com

I am very pleased that you have chosen me as your counselor and are allowing me to be a tool in reaching your personal goals. I appreciate your confidence in contacting me for assistance. Below is a brief explanation of the things that will be helpful in preparing for your first visit. Please read through and complete all paperwork.

Paperwork (see attached):

Please review, sign, and bring all the attached paperwork to our first visit together. I ask as a new client that you fill out the new client forms in their entirety.

Scheduling Appointments:

Upon scheduling, you will have an account on our scheduling software. The receptionist should give you a username and password when you call to schedule your first appointment. Additionally, you will be asked for a credit card number to secure your appointment. After your first visit, please access this portal to schedule or cancel and future appointments. To access the portal, visit www.therapyappointment.com and select my name.

Confirmation of Appointments:

When you schedule, you will be asked if you prefer a text or email reminder. However, regardless of whether you receive a reminder, you are responsible for remembering your appointment.

Therapy Fees:

Please review the attached Declaration of Practices and Procedures for my fee schedule. If utilizing insurance, it is your responsibility to find out the following information prior to using health insurance: determine that I am on the "provider" list for your insurance, the number of session authorized, your co-payment, and the amount remaining on your deductible. If your deductible is not met, I will bill your insurance accordingly, however you are responsible for payment in FULL per the contracted rate until your deductible is met. Fees/co-payments are due at the time of service. Payment can be made by cash, check, or credit card. If paying with cash you must have exact fee or you will be issued a credit toward your next visit. My policy and the policy of BRCCC is to securely store the client's encrypted credit card number for payment purposes. It can then be used for sessions or for fees from any no shows or cancellations with less than 24 hours notice. At time of service, you may use any form of payment you wish.

Cancellations:

If you need to cancel, you are required to give at least 24 hours notice, preferably 48 hours or more, so that others have an opportunity to schedule. Please cancel via online portal, by leaving a voicemail, or by emailing me. Except in the case of emergencies, no shows or cancelling with less than 24 hours notice will result in a \$102 charge to your credit card on file.

Getting Here:

My office is on the third floor in the administration building of the First Presbyterian Church campus at 763 North Blvd (NOT North Street). There are only 2 entrances to the counseling center. Park at a meter on 8th street and enter via the 8th street door OR park in the big parking lot on Convention (between 7th and 8th) and enter via the Chapel door. At each of these two doors is a buzzer for the counseling center. Please do not buzz the church. Once you buzz the counseling center someone will unlock the door. Proceed to the third floor by way of the stairs or elevator. You may want to allow extra time to find the center on your first visit. You will find a map attached to this packet or on our website (www.brchristiancounseling.com). For additional assistance call 387-2287.

I am looking forward to meeting with you and beginning your counseling journey!

Melissa

Melissa Bond, MSW, LCSW

Declaration of Practices and Procedures

This statement is designed to inform you of my background and to ensure that you understand our professional relationship. **After reading, please sign and date.**

1. Counseling Relationship:

In an effort to promote a positive therapeutic environment, it is my desire to provide a safe, warm, and open atmosphere in which you feel free to examine your thoughts, emotions, and patterns of behavior which are a concern to you. It is my desire to establish a counseling relationship based on mutual respect, trust, and honesty.

My approach to counseling is multi-theoretical and utilizes a diverse array of techniques and strategies that will allow me to best meet your needs while addressing areas of concern, patterns of behavior, thought patterns, and mood. Through this approach it is my hope that we will work together to accomplish your goals in counseling.

After gathering information, addressing any concerns or hesitations you may have, and becoming acquainted, goals are established through collaboration of the counselor and client. The ultimate goal of therapy is the successful resolution of the problems that are deemed most important by the client. Oftentimes I may ask you to complete assignments outside of session. These are used for you to get the most out of your counseling experience.

It is my goal to assist you in the problem solving process; however, my code of ethics does not allow me to advise you to make a specific decision. Clients must make their own decisions regarding such things as deciding to marry, separate, divorce, reconcile and how to set up custody and visitation.

2. Qualifications:

I received my Master of Social Work degree from Louisiana State University in 2015. I earned a Bachelor's Degree in Social Work from Southeastern Louisiana State University in 2013. I completed my graduate study internships with Bogalusa Mental Health, Capital Area Human Services District, and Health Centers in Schools. I am a Licensed Clinical Social Worker (LCSW) granted by the Louisiana State Board of Social Work Examiners, 18550 Highland Road, Suite B, Baton Rouge, LA 70809, (225) 756-3470. My license number is 13439.

3. Areas of Expertise:

I have a general counseling practice with a specialization in children, adolescents, and young adults. Additional areas of interest and experience include the treatment of depression, anxiety, grief, anger management, parent/child relationship concerns, child disorders such as ADHD and ODD, and substance abuse. I have also been trained in EMDR therapy.

4. Session Fees:

I accept private pay. Payment can be made by cash, check, or credit card. Payment is due at the time of service. When paying with cash you must have exact fee or you will be issued a credit toward your next visit. Please write checks out to Melissa Bond. Fees are subject to change. There will be a \$50.00 NSF charge on all returned checks. I charge \$120.00 for the first session and \$102.00 for all sessions after that.

I also accept BlueCross BlueShield. Please know what your co-pay is at time of arrival. Co-payment must be made on date of service. You are also responsible for knowing what your deductible is and the remaining amount on it. Bring your insurance card with you at the first appointment.

5. Cancellations:

The time you schedule for appointments is reserved for you. In the event you are unable to keep an appointment, a 24 hour advance notice will allow for the scheduling of another person who may benefit from the time. If not cancelled, you are responsible for payment of the unused time, which is the full session fee of \$102.00. If you try to call and cannot get an answer it is acceptable to leave a voice message and the time will be registered. You may also email me (melissa@brchristiancounseling.com) to cancel an appointment in 24 hours in advance.

6. Code of Ethics:

I am required by state law to adhere to the Louisiana Code of Conduct for Louisiana Licensed Clinical Social Workers. Copies of this code is available upon request.

7. Privileged Communication/Confidentiality:

I am required to abide by the professional practice standards and Louisiana Law. I do not disclose client confidences and information to any third party except materials shared during supervision without clients written consent or waiver except when mandated or permitted by law. Verbal authorization will not be sufficient except in emergency situations. State law mandates that I report to the appropriate authorities suspected cases of child abuse/neglect, elder abuse/neglect, or disabled abuse/neglect and instances of danger to self or others when reasonably necessary to protect the client or other parties from clear and imminent threat of serious physical harm. Certain types of litigation may lead to the court-ordered release of information without your consent.

When working with couples, families, or groups I cannot disclose any information outside of the treatment context without a written authorization from all individuals competent to sign such authorization. When working with a family or couple, information shared by individuals in sessions, when other family members are not present, must be held in confidence (except for the mandated exceptions already noted) unless all individuals involved sign written waivers at the outset of therapy. Clients may refuse to sign such a waiver but should be advised that maintaining confidentiality for individual sessions during couple or family therapy could impede or even prevent a positive outcome to therapy.

8. Litigation Limitation

Given that certain types of litigation (such as child custody suits) may lead to the court ordered release of information without your consent, it is expressly agreed that should there be legal proceedings (such as, but not limited to, divorce and custody disputes, injuries, lawsuits, etc.) neither you or any attorney, or anyone else acting on your behalf, will call Melissa Bond to testify in a deposition or in court or any other proceeding, nor will a disclosure of any information contained in the chart, including but not limited to the psychotherapy

notes, as defined and protected under the Health Insurance Portability and Accountability Act of 1996 (HIPPA) be requested.

9. Physical Health:

Physical health can be an important factor in the emotional well-being of an individual. If you have not had a physical within the last year, it is recommended that you do so. Also, you agree to list any medications that you are taking on the intake form and who your primary care physician is.

10. Potential Counseling Risks:

As a result of mental health or individual/couples/family counseling, the client may realize that he/she has additional issues; which may not have surfaced prior to the onset of the counseling relationship. Specifically, these issues may present possible risks in couple or family counseling. If one partner changes, additional strain may be placed on the relationship if the others involved refuse to change. Marital or family conflicts may initially intensify as feelings are expressed. If any of the aforementioned concerns occur, the client(s) should feel free to share these new concerns with me.

11. Emergency Situations:

In case of emergency, call 911, The Crisis Intervention Center (The Phone) at (225) 924-3900, a psychiatric hospital, an/or go to the nearest emergency room, if warranted.

12. Client Responsibilities:

You, the client, are a full partner in counseling. Your honesty and effort are essential to your success. The client is expected to follow billing, scheduling and office procedures. If you have suggestions or concerns about your counseling, I invite you to share these with me so that we can make the necessary adjustments. If you or I come to believe that you would be better served by another mental health professional, I am happy to help you with the referral process. If you are currently receiving services from another mental health professional, I need you to inform me of this in order to coordinate your treatment. I may ask you to grant me permission to obtain information from or share information with that professional.

I have read, or have had read to me, and understand the above information. I hereby sign in agreement and authorize this provider to release information to my primary care physician as needed.

INFORMED CONSENT CHECKLIST FOR TELEMENTAL HEALTH (VIDEO) COUNSELING

Prior to starting video-counseling services, we discussed and agreed to the following:

- There are potential benefits and risks for video-conferencing that differ from in-person sessions (secure internet connection).
- Confidentiality still applies and no one will record the session without the permission of the other person.
- We will use the video-conferencing platform app called VSee for our video session. Please be online at the appointment time. I will initiate the video call with you.
- You will need a webcam or a smartphone/tablet for the session.
- It is important to use a secure internet connection rather than public/free Wi-Fi.
- It is important to be in a quiet, private space that is free of distractions during the session.
- It is important to be on time. Use the chat feature on VSee to let me know when you're online, especially if you're "late" for an appointment.
- The same 24-hour cancellation rules apply to video counseling.
- We need a back-up plan (eg, phone number where you can be reached) in case we have technical difficulties. If we get disconnected, I will continue to try to reach you. If we both initiate, we will miss each other.
- We need a safety plan that includes at least one emergency contact and the closest ER to your location, in the event of a crisis situation.
- Confirm reimbursement with your insurance company.
- As your counselor, I may determine that due to certain circumstances, video counseling is no longer appropriate and that we should resume our sessions in-person.

INFORMED CONSENT FOR IN-PERSON THERAPY DURING THE COVID-19 CRISIS

Decision to Meet Face-to-Face

If we mutually decide to meet in person (Face-to-Face, hereinafter - F2F) for some or all future counseling sessions, precautions must be in place to mitigate the COVID-19 pandemic. This document contains information about those precautions and guidelines to safely meet F2F. Your signature(s) below indicates that you understand and agree to undertake these actions concerning all F2F appointments. Please read this carefully and let me know if you have any questions.

If we mutually decide to meet in person (F2F) and there is a subsequent resurgence of the pandemic, or subsequent changes in local, state, or federal guidelines, or if other health concerns arise, I may require that we meet via teletherapy. If you decide at any time that you would prefer teletherapy, I will respect that decision, provided it is clinically appropriate.

Also be mindful that if your therapist files for reimbursement for any teletherapy services, such reimbursement is determined by insurance companies and applicable law. You are responsible for payment whether services are provided via teletherapy sessions or F2F, and whether insurance companies reimburse or not.

Risks of Opting for In-Person F2F Services

Although there are potential benefits for in-person F2F counseling, there are also risks. You understand that by attending F2F sessions, you would be assuming the risk of exposure to the coronavirus, or other public health risks, and that this risk may increase if you travel by public transportation, cab, or ridesharing service.

In consideration of the services of Baton Rouge Christian Counseling Center (hereinafter BRCCC) and my therapist, I hereby agree to release, indemnify, defend and discharge both BRCCC and my therapist, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

I have been offered by BRCCC and my therapist to conduct the therapy session remotely via Zoom or other online means, however, I desire a face to face therapy session. I am aware of the risk of infection with COVID 19 and I understand that such risk simply cannot be eliminated without completely avoiding a face to face therapy session.

I expressly agree and promise to accept and assume the risk of infection with COVID 19 existing in a F2F therapy session. My participation in a F2F therapy session at BRCCC and with my therapist is purely voluntary, and I elect to participate in spite of the risks.

Your Responsibility to Minimize Your Exposure

To obtain counseling in person (F2F), and signing this document, you will take the following precautions which will help keep all of us (you, me, our families, my staff, and other clients) safer from exposure, sickness and possible death. Failure to adhere to these safeguards, may result in our starting or returning to a teletherapy arrangement.

- If you reasonably believe that you have recently been exposed to, are infected with, or have symptoms of the coronavirus, you will cancel your F2F appointment or proceed using teletherapy.
- You will wait in your car or outside until no earlier than 5 minutes before your appointment time.
- You will wash your hands or use alcohol-based hand sanitizer when you enter the building.
- You will wear a mask in all areas of the office (I, and my staff will too). Clients agree to:
 - bring their own face mask that covers their nose and mouth,
 - wear the face mask upon entering the building,
 - continue to wear the face mask until entering the counseling session, (face masks are not required during the counseling session, unless your therapist deems them necessary), and
 - wear a face mask after the session while exiting the building.
- You will adhere to the safe distancing precautions we have set up in the waiting areas and offices.
- You will keep a distance of 6 feet from all other persons and there will be no physical contact (i.e. no shaking hands) with me, other clients, or with my staff.
- You will try not to touch your face or eyes with your hands. If you do, you will immediately wash or sanitize your hands.
- You will not bring guests and/or non-client children to BRCCC.
- You will take steps between F2F appointments to minimize your exposure to COVID-19.
- If you have a job, other responsibilities, or activities that put you in close contact with others infected with COVID, you will notify me immediately.

- If a resident of your home tests positive for the coronavirus infection, you will notify me immediately. Continuing treatments will be conducted via teletherapy until quarantine is over.
- To minimize contact with support staff, you will do all scheduling of appointments either online through the Therapy Appointment software, or over the phone with support staff.
- To minimize the exchange and handling of payment(s), you will have your credit card information on file with BRCCC at least one day prior to the counseling session.

I reserve the right to change the above precautions if additional local, state, or federal orders or guidelines are published. If that happens, you will be notified about any necessary changes.

My Commitment to Minimize Exposure

My practice has taken steps to reduce the risk of spreading the coronavirus within the office and we have posted our efforts on our website and in the office. Please let me know if you have questions about these efforts.

If You or I are Sick

You understand that I am committed to keeping you, me, my staff, all clients, and all of our families safe from the spread of this virus. If you show up for an appointment and I, or my office staff believe that you have a fever or other symptoms, or believe you have been exposed, I will have to require you to leave the office immediately. We can follow up with services by teletherapy as appropriate.

If I, or my staff, test positive for the coronavirus, I will notify you so that you can take appropriate precautions.

Your Confidentiality in the Case of Infection

If you have tested positive for the coronavirus, I may be required to notify local health authorities that you have been in the office. If I am required to report this, I will only provide the minimum information necessary for their data collection and will not go into any details about the reason(s) for your visits. By signing this form, you are agreeing that I may do so without an additional signed release.

Informed Consent

This agreement supplements the general informed consent/business agreement that we agreed to at the start of our work together.

Your signature(s) below shows that you agree to and will abide with these terms and conditions. By signing this document, I acknowledge that I waive my right to maintain a lawsuit against BRCCC and my therapist on the basis of any claim that I released herein. I also agree to pay BRCCC and my therapist attorneys' fees and costs in enforcing this agreement.

NOTICE OF PRIVACY PRACTICES CONSENT FORM

Effective April 14, 2003 a federal regulation, commonly known as the "HIPAA Privacy Rule", requires that we must provide all of our clients with a detailed notice, in writing, of our privacy practices. We have this lengthy "Notice of Privacy Practices" available in our waiting room and it is also on our website: www.brchristiancounseling.com. A written copy of this policy is available upon request.

I understand that as a condition to my receiving treatment, Baton Rouge Christian Counseling Center may use or disclose my personally identified health information for treatment, to obtain payment for the treatment provided, and as necessary for the operations of this office. These uses and disclosures are more fully explained in the Privacy Notice that has been provided to me, and which I have had the opportunity to review.

I understand that the privacy practices described in the "Notice of Privacy Practices" may change over time, and that I have a right to obtain any revised Privacy Notices, if requested.

I also understand that I have the right to request BRCCC to restrict how my health information is used or disclosed. BRCCC does not have to agree to my request for the restriction, but BRCCC is bound to abide by the restriction as agreed.

Finally, I understand that I have the right to revoke/withdraw this consent in writing, at any time. My revocation/withdrawal will be effective except to the extent that BRCCC has taken action in reliance on my consent for use or disclosure of my health information. Provision of future treatment may be withdrawn if I withdraw my consent.
