

DEE ADAMS, PhD, LPC, LMFT
Baton Rouge Christian Counseling Center
NEW CLIENT VERY DETAILED INFORMATION

NEW CLIENTS? Dr. Adams accepts new clients only for couple's counseling. To request an appointment for couple's counseling, please email her at Dee@brchristiancounseling.com and include your names, email addresses, and phone numbers with a request to start therapy with her and when you'd like to start. Dr. Dee will respond by email with an approximate date that an initial appointment may become available. If that approximate date is acceptable to you both and you want to go ahead and schedule an initial appointment, simply follow the directions below under **SCHEDULING**.

If you choose to not wait for Dr. Adam's available dates, you may of course seek counseling with another couples' therapist. BRCCC has several other counselors who do couple counseling. To see a list of BRCCC counselor specialties, whether they do couple counseling, and whether they are taking new clients, click **HERE** (www.brchristiancounseling.com / Counseling & Seminars / General Info). Additionally, you can go to www.ICEEFT.com / Find a Therapist / Louisiana to search for counselors in the area who are trained in EFT – Emotionally Focused Therapy; the counseling model Dr. Adams uses with couples. In 2011, Dee was the first therapist in Louisiana to be certified in EFT.

SCHEDULING: To schedule your first appointment for therapy:

- 1) You will need to set up an account. To do so, go to Dr. Adam's Therapy Appointment portal by clicking here: **SCHEDULING PORTAL** (or go to www.therapyappointment.com Client/Patient login (TA 2.0). Search for Dee Adams and then click on "**Register as a New Client**". You will be asked to put in your name, address, email(s), phone number(s), how you want to be confirmed, and your mandatory credit card number - which the software encrypts for safety.
- 2) After setting up your account, look for an email that is a "Portal Invite" which will bring you back into the software (need to put in your birthdate as 01/01/2000) for entry and then you can then set up your username and password.
- 3) Then either BRCCC or Dee will get in touch with you to set up your first appointment. Or you can email Dee at Dee@brchristiancounseling.com or call the office at 387-2287 to set up your first appointment. You cannot set up your first appointment yourself.

PAPERWORK FOR NEW CLIENTS: After you have an account and username, you will receive an email directing you back to the software to print and fill out my packet of intake forms. If you didn't get the email, or can't find the forms, let us know. YOU MUST HAVE THESE AT THE START OF YOUR FIRST SESSION. Please review, print, complete, sign, and bring the intake paperwork to your first appointment. Please do not print back-to-back. If you do not wish to print out the forms, please allow 30 minutes or more before your first session to complete them at the office so you won't lose any of your therapy time. As a couple, EACH of you must fill out a separate set of intake forms

ONLY AFTER YOUR FIRST APPOINTMENT: You may then schedule additional appointments online by going to Dee's **SCHEDULING PORTAL** again or by visiting Therapy Appointment, which might be easier to remember, www.therapyappointment.com Client/Patient login (TA 2.0, not Legacy). Search for Dee Adams, and use your username and password to access your account.

After over 35 years of full-time counseling, Dee is now working 3 days per week, Monday, Wednesday, and Friday so appointment spots are limited. Appointments are on a first-come first-served basis, so after your first session schedule out a few months to get the dates and times you want.

THE WAIT LIST AFTER THE INITIAL SESSION: If nothing is available at convenient times or if you want an earlier appointment – either call the office at 387-2287 or email Dee at Dee@brchristiancounseling.com and ask to be put on a waiting list for a specific week or day you prefer, or just anything available. We'll call, text, or email you if something becomes available earlier. Sometimes a notice of last-minute cancellations is emailed out, as well.

COMING AS A COUPLE? See Dee's [bio page](#) on BRCCC's website to read more about Dr. Adams and about EFT -- Emotionally Focused Couples Therapy. Dee generally meets with a couple together first. If this is not possible, she can be flexible. After the first joint session Dee sometimes chooses to meet with each person individually, then back together as a couple from then on. Please note that any information revealed in those individual sessions must be open to be shared in joint sessions; no secrets. Most couples schedule every-other-week. To get a jumpstart, or because of travel, some people elect to schedule 1 ½ or 2 sessions for the first visit, or later visits. This is particularly helpful for couple counseling.

The focus of Dee's practice is therapy for couples and she does not engage in ongoing individual counseling with couple partners. However, if one partner is unexpectedly out of town or ill, it is fine for one partner to come alone, or there will be a charge for the session.

COUPLE'S WEEKEND WORKSHOP: Additionally, several times a year Dee and her husband, Pete, offer a couple's weekend workshop entitled "Created for Connection". Go to www.C4CBR.com for date and details.

TIMELINESS: If you run late for an appointment, you lose minutes. If Dee runs late, (very rarely) you will always get a full session.

FEES: The fee per 45-50 minute session is \$180, for 60 minutes the fee is \$200. The first evaluative session is \$200. The fee for 1 ½ sessions (75 min) is \$270 and a double session of 90-100 min is \$360, for 2 hours \$400.

PAYMENT: It is the BRCCC policy that payment must be made at the time of service. You can pay with check, cash, Visa/Master Card, American Express, or Discover.

CREDIT CARD ON FILE: To secure your first appointment, the BRCCC policy states that you MUST have your credit card number on file PRIOR to your arrival for the first session to officially reserve your appointment spot. It is safely secured through encryption. You should have shared your credit card number when you registered for your account, but if not, you can call our office at 387-2287 with a credit card number. If you "no show" or don't cancel with at least 24 hours of notice, you are charged.

INSURANCE: Dee does not file with insurance, but can give you a receipt (or "Superbill") with a diagnosis for you to file for direct reimbursement using your "out of network" benefits. You can see if you have mental health benefits by calling your insurance company and asking some specific **QUESTIONS** (or go to www.brchristiancounseling.com / Counselors & Seminars / Counselor Fees, Availability...)

CONFIRMATION OF APPOINTMENTS: In your online Therapy Appointment account you should have chosen to have your appointments confirmed through text, email, and/or automated phone call. You can update or change those at any time. ***Whether an appointment is confirmed or not, you are still responsible for remembering your appointments and will be charged if you miss.*** Reminders can be sent to up to 2 cell numbers or 2 email addresses or 2 phone numbers.

CANCELLATIONS: If you ever need to cancel – you must provide **AT LEAST** 24-hour notice, **PREFERABLY 48 HOURS, or your credit card will be charged**, even for your first session. Dee really appreciates your understanding so she can schedule other clients in need of therapy. BRCCC has voicemail 24 hours a day, 7 days a week. If you must cancel within the 24 hours, you can't do that online – you have to call – but there is still a credit card charge.

TELETHERAPY: You may elect to come to BRCCC and do your therapy in-person, or you may request teletherapy via the Zoom platform, the cost is the same. Couples may meet from the same or different Louisiana locations for joint sessions. You may choose to have some sessions in-person and use teletherapy for others. Please make it clear if you want in-person or teletherapy for any given session so that a link can be emailed to you before the session.

DIRECTIONS: See the attached map. Dr. Adam's office is in on the third floor of the red brick administrative building on the First Presbyterian Church campus at 763 North BOULEVARD (not Street) in downtown Baton Rouge. The building is also directly across Convention Street from the downtown Post Office. The church takes up a whole city block, bordered on 4 sides by **North Boulevard** (which has grass down the middle), **Convention**, and **7th and 8th Streets**.

Please allow extra time to find us for your first session, especially considering Baton Rouge's traffic! It would be helpful to bring a copy of these directions and/or bring the attached map. Finding us can be a mental health challenge!

PARKING and BUZZING-IN FOR ENTRY: You may park either at a meter on 8th Street and enter via the 8th Street door, **OR** park in the big free parking lot on Convention and enter via the Chapel doors.
YOU CAN ONLY BUZZ IN AT 3 DOORS:

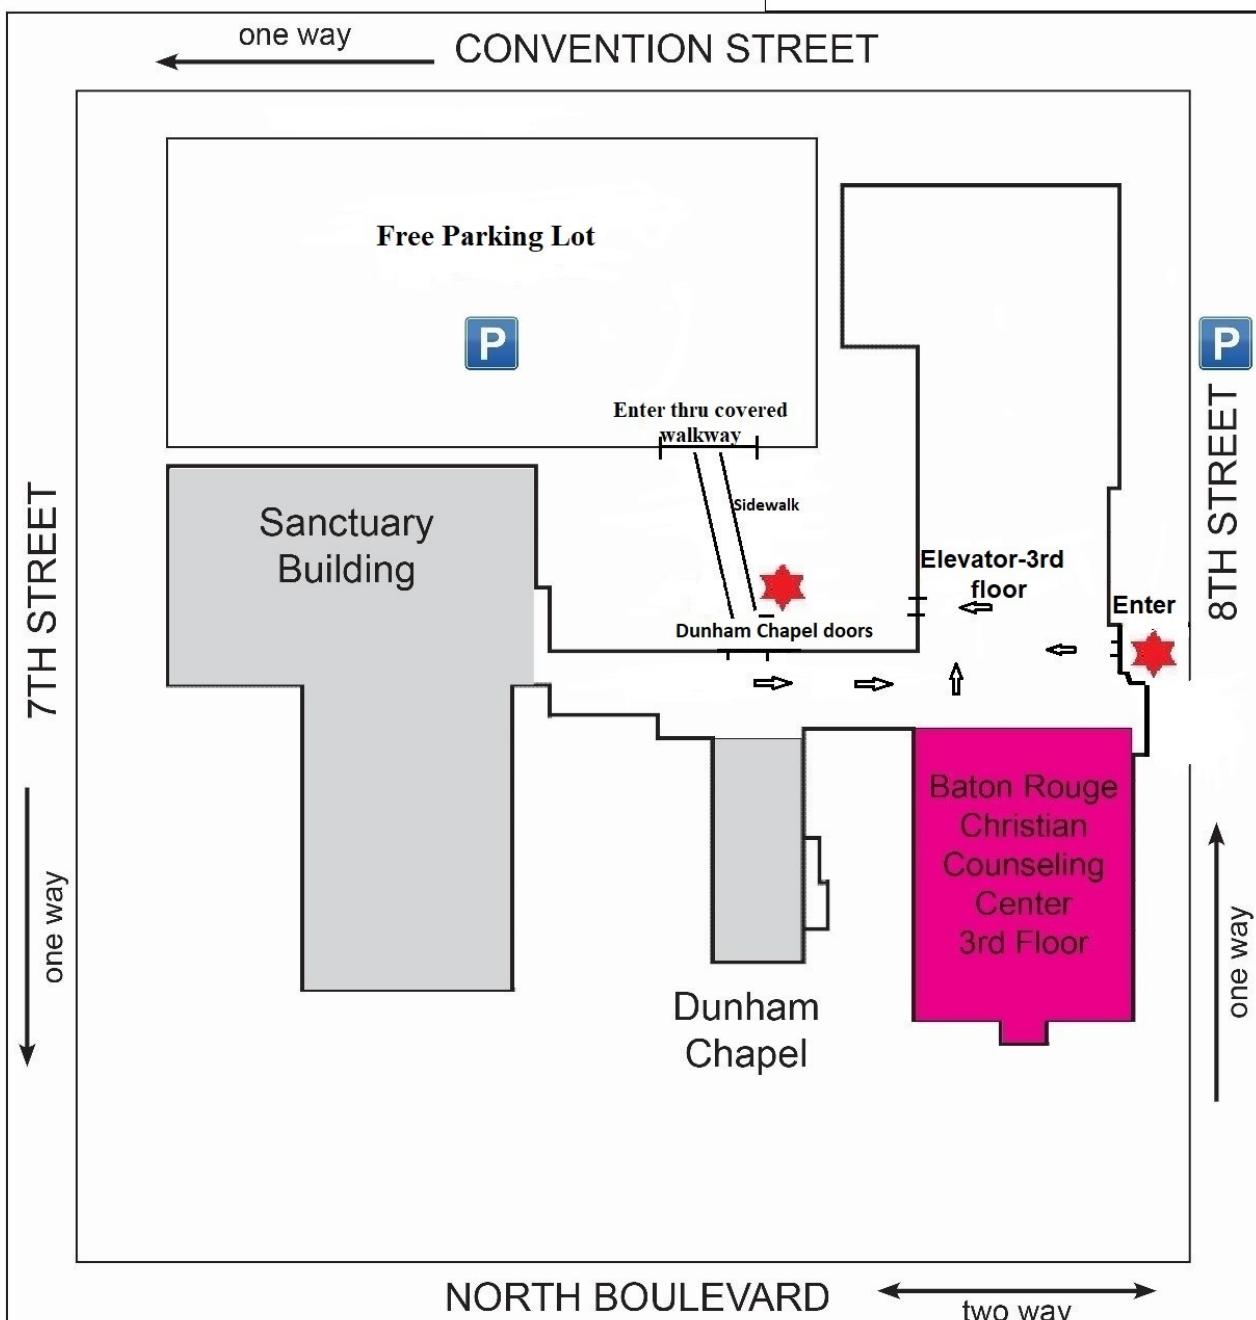

- 1) **the main CHAPEL door,**
- 2) **the BREEZEWAY door leading to the CHAPEL from the Sanctuary, and**
- 3) **the 8TH STREET door (see the map attached.)** Buzz the Counseling Center and someone will ask which Counselor you are there to see and then unlock the door for you. Go to the third floor via the stairs or elevator. The counseling center is at the far end of the hall.

This is a ton of information and forms, but please know that Dee is looking forward to meeting with you and working with you! If you have any questions, please email.

DECLARATION OF PRACTICES AND PROCEDURES

I am pleased that you have chosen me to be your counselor. This statement is designed to inform you about my background and to ensure that you understand our professional relationship.

PLEASE READ AND REVIEW, THEN SIGN AND DATE THE LAST PAGE.

1. **Counseling Relationship:** It is my desire to promote a warm and trusting atmosphere in which you feel free to examine patterns of relating to others and behaviors, thoughts or moods that are causing you concern.

I am multi-theoretical in my counseling approach using techniques based in Systems, Cognitive-Behavioral and Rational-Emotive Theory. I utilize brief solution-oriented and goal-driven strategies. Goals are established through collaboration with the client. The ultimate goal of therapy is the successful resolution of the problems that are deemed most important.

Clients must make their own decisions regarding such things as deciding to marry, separate, divorce, reconcile and how to set up custody and visitation. I will help you think through the possibilities and consequences of decisions, but my code of ethics does not allow me to advise you to make a specific decision.

As a Christian counselor, I believe God is able and eager to help facilitate emotional and spiritual growth. I seek God's guidance through the Holy Spirit and use Scripture and prayer, only when appropriate. It is not at all necessary that you share my views. I will respect your spiritual beliefs and am willing to explore your personal belief system as you give direction.

2. **Qualifications:** I earned a PhD in Marriage and Family from Florida State University in 1982, an MS from Michigan State in 1976, and a B.S. from Ohio State in 1975. My Masters and undergraduate degrees were in Family and Child Development. I've taught marriage, family and child development as a full-time Instructor/Assistant Professor at LSU and at Louisiana Tech. Further, I have completed a post doctorate counseling internship at LSU and a 2-year supervised practicum. I've been in full-time private practice since 1988 and done more than 23,000 hours of counseling with over 2,000 different clients (a couple or family is counted as one client).

I am a Licensed Professional Counselor (LPC), Louisiana State License #1544, granted from the Louisiana LPC Board of Examiners, 11410 Lake Sherwood Avenue North, Baton Rouge, LA 70816, (225) 295-8444. I am a Licensed Marriage and Family Therapist (LMFT), # 121, granted by the Louisiana LPC Board of Examiners, listed above. I am certified by ICEEFT as an EFT (Emotionally Focused Couple's Therapist).

3. **Areas of Expertise:** My areas of specialization include marriage and couple counseling, premarital and early marital adjustment, inhibited sexual desire, depression, grief, relational difficulties, couple communication, affair recovery, women's issues, stepfamily adjustment, and cancer survival.

I'm a member of the Louisiana Counseling Association and have been certified as a P.E.T. (Parent Effectiveness Training) and a PAIRS (Practical Application of Intimate Relationship Skills) Instructor.

4. **Session Fees:** Fees are due at the time of service rendered to Dee Adams, PhD, LPC, LMFT, LCC. Fees are \$180 and can be paid by check, cash or credit card (Master Card, Visa, American Express and Discover). For the initial session, the fee is \$200. A couple or family is considered one client so the fees are the same. Sessions are 45-50 minutes. Fees are subject to change. There will be a \$35 NSF charge on all returned checks and a full charge for the session if the client does not show for the session or if not canceled with 24 hour notice.

THE FINAL OBLIGATION FOR PAYMENT RESTS WITH THE CLIENT.

CANCELLATIONS: If you must cancel a session, the office must be notified AT LEAST 24 hours in advance, PREFERABLY MORE, or you will be charged \$180. Your credit card number will be securely stored and encrypted to charge for this purpose.

If the office is not open, and you need to cancel, you can leave a message in our voice mail at (225) 387-2287 and the time of call is registered. We aim to confirm appointments, but do not always have ample staff to do so. Responsibility for remembering appointments rests with the client.

5. **Explanation of the Types of Services Offered and Clients Served:** Individual, adolescent, marriage and family counseling are available. I do not counsel children. Group counseling is also offered on occasion.

6. **Code of Ethics:** I am required by state law to adhere to the Louisiana Code of Conduct for Licensed Professional Counselors and to adhere to the Louisiana Code of Ethics for Licensed Marriage and Family Therapists. Copies of these codes are available upon request. Should you wish to file a disciplinary complaint regarding my practice as an LPC, you may contact the Louisiana LPC Board of Examiners, 11410 Lake Sherwood Avenue North, Suite A, Baton Rouge, LA 70816.

7. **Privileged Communication / Confidentiality:** I am required to abide by my professional practice standards and Louisiana law. I do not disclose client confidences and information to any third party (except for information shared anonymously during supervision) without a client's written consent or waiver, except when mandated or permitted by law. Verbal authorization will not be sufficient except in emergency situations.

State law mandates that I report to the appropriate authorities suspected cases of child abuse/neglect, elder abuse/neglect, or disabled abuse/neglect and instances of danger to self or others when it is reasonably necessary to protect the client or other parties from a clear and imminent threat of serious physical harm.

Certain types of litigation (such as a child custody suits) may lead to the court-ordered release of information without your consent. Also note that if you use third party insurers, such as health insurance policies, HMO or PPO plans, or EAP programs, your signature at the bottom of this form allows the provider to release only the information necessary to obtain assignment of health care benefits.

When working with couples, families, or groups, I cannot disclose any information outside of the treatment context without a written authorization from all individuals competent to sign such authorization. For example, I cannot release any information about either or both spouses I have seen for marital therapy to an attorney without signed authorizations from both spouses.

When working with a family or couple, information shared by individuals in sessions, where other family

members are not present, must be held in confidence (except for the mandated exceptions already noted) unless all individuals involved sign written waivers. Clients may refuse to sign such a waiver but should be advised that maintaining confidentiality for individual sessions during couple or family therapy could impede or even prevent a positive outcome to therapy.

Litigation Limitation: Given that certain types of litigation (such as child custody suits) may lead to the court-ordered release of information without your consent, it is expressly agreed that should there be legal proceedings (such as, but not limited to, divorce and custody disputes, injuries, lawsuits, etc) neither you or any attorney, or anyone else acting on your behalf, will ask me to testify in a deposition or in court or any other proceeding, nor will a disclosure of the medical record and/or psychotherapy notes be requested.

8. **Potential Counseling Risks:** As a result of mental health or couples/family counseling, the client may realize that he/she has additional issues which may not have surfaced prior to the onset of the counseling relationship. Also, there are possible risks in couple or family counseling. If one partner changes, additional strain may be placed on the relationship(s) if the other(s) involved refuse to change. Marital or family conflicts may intensify as feelings are expressed.

9. **Emergency Situations:** In case of emergency, call 911, the crisis line at the Bridge Center for Hope at 924-3900, a psychiatric hospital, and/or go to the closest emergency room if warranted.

10. **Telephone and Email Consultations:** are available on a fee basis, at \$180 per hour. It is expected that you will respect my privacy in this matter.

11. **Client Responsibilities:** The client is expected to follow billing, scheduling and office procedures. It is expected that he or she will terminate any previous counseling relationship or get permission from the first therapist. It is suggested that the client have a complete physical examination if he/she has not had one within the past year. Also, the client agrees to list on the intake form any medications he/she is taking. Further if clients want to get the most from the therapeutic experience, they are expected to follow through with any clinical "homework" assignments.

12. **Telemental Health:** When appropriate, I provide Teletherapy, an alternative form of counseling provided at a distance through confidential technology. I have completed 9 hours of live telehealth care training in addition to my professional qualifications as a clinician. This training covered the law and ethics and clinical skills specifically related to telehealth care. I continue to receive at least three hours of continuing education in the area of telemental health every two years. It is imperative that you sign my Telemental Counseling Consent Form before entering into telemental counseling; it is attached to my Declaration of Practices.

I have read and understand the above information and have received a copy of it. I hereby sign in agreement and authorize the provider to release any information necessary to obtain assignment of health care benefits for the above services and to release information to my primary care physician, as needed.

**INFORMED CONSENT FOR TELETHERAPY
(VIDEO) COUNSELING**

Prior to starting video-counseling services, we discussed and agreed to the following:

- There are potential benefits and risks for video-conferencing that differ from in-person sessions.
- Confidentiality still applies and no one will record the session without the permission of the other person.
- You will need a webcam or a smartphone/tablet for the session.
- It is important to use a secure internet connection rather than public/free Wi-Fi.
- It is important to be in a quiet, private space that is free of distractions during the session.
- The same 24-hour cancellation rules apply to video counseling.
- Session fees are handled in an identical fashion as for teletherapy as in-person counseling.
- We need a back-up plan (e.g., phone number where you can be reached) in case we have technical difficulties. If we get disconnected, I will continue to try to reach you. If we both initiate, we will miss each other.

Back-up phone number: (_____) _____

- We need a safety plan that includes at least one emergency contact and the closest ER to your location in the event of a crisis situation.

Emergency Contact Name: _____

Emergency Contact Number: (_____) _____

Closest ER: _____

- **Consultation:** I may deem it appropriate to consult with or coordinate your care with other professionals, but only with your written agreement.
- **Louisiana License:** I can only counsel in the state I am licensed, Louisiana. Except in an emergency, i.e. COVID-19, counseling services cannot be delivered across state lines. I must know where you are when I am performing counseling services.
- **Ethics Code:** I follow the same Louisiana Code of Conduct and adhere to its ethics as outlined in my Declaration of Practices as an LPC.
- As your counselor, I may determine that due to certain circumstances, video counseling is no longer appropriate and that we should resume our sessions in-person.

At the beginning of each session, I agree to disclose my current location and allow my therapist to assess for safety, security, and comfort in my environment. The virtual teletherapy sessions will be conducted through Zoom, a HIPAA compliant teletherapy platform, and provides a Busin4ss Associate Agreement and my Patient Health Information (PHI) will be protected within the limitations of Zoom and the environment in which the services are utilized. Your PHI is stored via our EHR system, Therapy Appointment, which is an electronic healthcare system. It is designed specifically for healthcare and provides a Business Associate Agreement for HIPAA compliance. Therapy Appointment uses encryption which is point to point and federally approved. Any paper with your personal information s kept in a locked cabinet behind at least one locked door.

This process is in place to protect you from another person posing as you.

Email and Text Messaging: The client should be aware that they have the right to refuse digital communications with the therapist; however, this could limit communication channels and immediacy of access to reach each other in the counseling relationship. The client understands that the use of digital technology, email, text messages, online video conferencing services, software, and/or platforms may not meet HIPAA compliance standards; therefore, I understand that my therapist will protect my information to the best of their ability within the limitations of the digital and physical environment.

Risk: There is confidentiality risk involved for both parties in utilizing digital technology Communication. I understand the risk involved in digital communication and I hereby authorize my therapist to communicate with me utilizing digital technology on the internet.

INFORMED CONSENT FOR IN-PERSON THERAPY DURING THE COVID-19 CRISIS

Decision to Meet Face-to-Face

If we mutually decide to meet in person (Face-to-Face, hereinafter - F2F) for some or all future counseling sessions, precautions must be in place to mitigate the COVID-19 pandemic. This document contains information about those precautions and guidelines to safely meet F2F. Your signature(s) below indicates that you understand and agree to undertake these actions concerning all F2F appointments. Please read this carefully and let me know if you have any questions.

If we mutually decide to meet in person (F2F) and there is a subsequent resurgence of the pandemic, or subsequent changes in local, state, or federal guidelines, or if other health concerns arise, I may require that we meet via teletherapy. If you decide at any time that you would prefer teletherapy, I will respect that decision, provided it is clinically appropriate.

Also be mindful that if your therapist files for reimbursement for any teletherapy services, such reimbursement is determined by insurance companies and applicable law. You are responsible for payment whether services are provided via teletherapy sessions or F2F, and whether insurance companies reimburse or not.

Risks of Opting for In-Person F2F Services

Although there are potential benefits for in-person F2F counseling, there are also risks. You understand that by attending F2F sessions, you would be assuming the risk of exposure to the coronavirus, or other public health risks, and that this risk may increase if you travel by public transportation, cab, or ridesharing service.

In consideration of the services of Baton Rouge Christian Counseling Center (hereinafter BRCCC) and my therapist, I hereby agree to release, indemnify, defend and discharge both BRCCC and my therapist, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

I have been offered by BRCCC and my therapist to conduct the therapy session remotely via Zoom or other online means, however, I desire a face to face therapy session. I am aware of the risk of infection with COVID 19 and I understand that such risk simply cannot be eliminated without completely avoiding a face to face therapy session.

I expressly agree and promise to accept and assume the risk of infection with COVID 19 existing in a F2F therapy session. My participation in a F2F therapy session at BRCCC and with my therapist is purely voluntary, and I elect to participate in spite of the risks.

Your Responsibility to Minimize Your Exposure

To obtain counseling in person (F2F), and signing this document, you will take the following precautions which will help keep all of us (you, me, our families, my staff, and other clients) safer from exposure, sickness and possible death. Failure to adhere to these safeguards, may result in our starting or returning to a teletherapy arrangement.

- If you reasonably believe that you have recently been exposed to, are infected with, or have symptoms of the coronavirus, you will cancel your F2F appointment or proceed using teletherapy.
- You will wait in your car or outside until no earlier than 5 minutes before your appointment time.
- You will wash your hands or use alcohol-based hand sanitizer when you enter the building.
- You will wear a mask in all areas of the office (I, and my staff will too). Clients agree to:
 - bring their own face mask that covers their nose and mouth,
 - wear the face mask upon entering the building,
 - continue to wear the face mask until entering the counseling session, (face masks are not required during the counseling session, unless your therapist deems them necessary), and
 - wear a face mask after the session while exiting the building.
- You will adhere to the safe distancing precautions we have set up in the waiting areas and offices.
- You will keep a distance of 6 feet from all other persons and there will be no physical contact (i.e. no shaking hands) with me, other clients, or with my staff.
- You will try not to touch your face or eyes with your hands. If you do, you will immediately wash or sanitize your hands.
- You will not bring guests and/or non-client children to BRCCC.
- You will take steps between F2F appointments to minimize your exposure to COVID-19.
- If you have a job, other responsibilities, or activities that put you in close contact with others infected with COVID, you will notify me immediately.

- If a resident of your home tests positive for the coronavirus infection, you will notify me immediately. Continuing treatments will be conducted via teletherapy until quarantine is over.
- To minimize contact with support staff, you will do all scheduling of appointments either online through the Therapy Appointment software, or over the phone with support staff.
- To minimize the exchange and handling of payment(s), you will have your credit card information on file with BRCCC at least one day prior to the counseling session.

I reserve the right to change the above precautions if additional local, state, or federal orders or guidelines are published. If that happens, you will be notified about any necessary changes.

My Commitment to Minimize Exposure

My practice has taken steps to reduce the risk of spreading the coronavirus within the office and we have posted our efforts on our website and in the office. Please let me know if you have questions about these efforts.

If You or I are Sick

You understand that I am committed to keeping you, me, my staff, all clients, and all of our families safe from the spread of this virus. If you show up for an appointment and I, or my office staff believe that you have a fever or other symptoms, or believe you have been exposed, I will have to require you to leave the office immediately. We can follow up with services by teletherapy as appropriate.

If I, or my staff, test positive for the coronavirus, I will notify you so that you can take appropriate precautions.

Your Confidentiality in the Case of Infection

If you have tested positive for the coronavirus, I may be required to notify local health authorities that you have been in the office. If I am required to report this, I will only provide the minimum information necessary for their data collection and will not go into any details about the reason(s) for your visits. By signing this form, you are agreeing that I may do so without an additional signed release.

Informed Consent

This agreement supplements the general informed consent/business agreement that we agreed to at the start of our work together.

Your signature(s) below shows that you agree to and will abide with these terms and conditions. NOTICE OF PRIVACY PRACTICES CONSENT FORM

Effective April 14, 2003 a federal regulation, commonly known as the “HIPAA Privacy Rule”, requires that we must provide all of our clients with a detailed notice, in writing, of our privacy practices. We have this lengthy “*Notice of Privacy Practices*” available in our waiting room and it is also on our web site: www.brchristiancounseling.com. A written copy of this policy is available upon request.

I understand that as a condition to my receiving treatment, Baton Rouge Christian Counseling Center may use or disclose my personally identified health information for treatment, to obtain payment for the treatment provided, and as necessary for the operations of this office. These uses and disclosures are more fully explained in the Privacy Notice that has been provided to me, and which I have had the opportunity to review.

I understand that the privacy practices described in the “*Notice of Privacy Practices*” may change over time, and that I have a right to obtain any revised Privacy Notices, if requested.

I also understand that I have the right to request BRCCC to restrict how my health information is used or disclosed. BRCCC does not have to agree to my request for the restriction, but if BRCCC does agree, BRCCC is bound to abide by the restriction as agreed.

Finally, I understand that I have the right to revoke/withdraw this consent in writing, at any time. My revocation/withdrawal will be effective except to the extent that BRCCC has taken action in reliance on my consent for use or disclosure of my health information. Provision of future treatment may be withdrawn if I withdraw my consent.

BRCCC's policy is that payment is due at the time of the session.

Confirmation of appointments is provided as a courtesy, when there is ample staff to do so.
Keeping the appointment is the responsibility of the client.

All new or returning clients will need to have a credit card number on file before scheduling their first or a new appointment.

Credit cards numbers will be securely locked and kept confidentially along with other client data. My policy, and the policy of BRCCC, is to securely store the client's credit card number for payment purposes. It is used for the initial session, for subsequent sessions, for any "no shows", and for appointments not cancelled with at least 24 hours of notice.
